## Welcome

EURAXESS - Researchers In Motion is a unique pan-European initiative delivering information and support services to professional researchers. Backed by the European Union, member states and associated countries, it supports researcher mobility and career development, while enhancing scientific collaboration between Europe and the world.

EURAXESS is also your gateway to Science4Refugees, a Commission's initiative helping refugee researchers find suitable jobs in today's challenging research landscape. Part of the initiative, is the Science4Refugees Research Buddies, supporting refugee scientists in finding European researchers to discuss problems, find solutions and study together, by matching their research fields, scientific studies and interests.
